

WHAT IS DIGITAL LITERACY?

Digital literacy is the ability to use digital tools, platforms, and technologies effectively, responsibly, and safely. It goes beyond basic computer skills to include critical thinking, communication, and responsible online behavior.

USEFUL DIGITAL TOOLS FOR STUDENTS

CATEGORIES OF USEFUL DIGITAL TOOLS

1. Note-Taking & Organization

- **NOTION** – Combines notes, tasks, and databases in one workspace.
- **EVERNOTE** – Classic tool for organizing notes, web clippings, and study materials.
- **MICROSOFT ONENOTE** – Free, integrates with Office apps, great for handwritten notes.

2. Collaboration & Productivity

- **GOOGLE WORKSPACE** – Real-time collaboration, cloud storage, and easy sharing.
- **TRELLO / ASANA** – Task management boards for group projects.
- **SLACK / MICROSOFT TEAMS** – Communication platforms for teamwork and file sharing.

3. Focus and Study Efficiency

- **FOREST APP** – Gamifies focus by growing virtual trees while you study.
- **PROMOFOCUS** – Break study sessions into manageable chunks.
- **TODOIST** – Task manager with reminders and productivity tracking.

4. Research & Learning

- **GOOGLE SCHOLAR** – Access to academic papers and citations.
- **GRAMMARLY** – Writing assistant for grammar, clarity, and plagiarism checks.
- **COURSERA** – Online learning platforms for skill development.

SAFE INTERNET PRACTICES

- **Strong Passwords:** Use unique, complex passwords + enable 2FA.
- **Think Before You Click:** Avoid suspicious links, pop-ups, and unknown downloads.
- **Protect Privacy:** Limit personal info shared online; adjust social media settings.
- **Stay Updated:** Keep software and antivirus current.
- **Be Respectful:** Practice good digital citizenship; avoid cyberbullying and misinformation.

A professional online presence means presenting yourself positively and responsibly on digital platforms so that classmates, teachers, and future employers see you as credible and respectful. It's about building a digital footprint that reflects your skills, values, and professionalism.

Tips for a professional online presence

- **Use LinkedIn or similar platforms to showcase your skills, projects, and achievements.**
- **Keep profiles updated with accurate information and a professional photo.**
- **Post responsibly—avoid inappropriate language, images, or comments.**
- **Engage positively in online discussions; be respectful and constructive.**
- **Separate personal and academic/professional accounts when possible.**
